Carry-Out Caravan: How the program works

- Our Carry-out Caravan program connects members of the community with seniors who face the challenge of securing reliable access to groceries. Our friendly volunteers provide caring assistance throughout the entire process of ordering, purchasing and delivering groceries from our partner, King Soopers, straight to seniors' homes.
- You are responsible for the cost of your groceries, and can pay with a credit, debit or Quest card. A Cultivate staff member will contact you to collect your card information after you have returned the program enrollment forms. We record your card number, keep it safely on file, and use it only on days that you order.
- Carry-Out Caravan is closed on major holidays. We will remind you of these closures so that you may adjust your order the week prior to the holiday. There may be days when we close unexpectedly due to weather; we are not able to switch our shopping days in those situations.

Ordering

Volunteers are available the day before a shopping day to take your order by phone. You may also email your order to groceries@cultivate.ngo as long as it is received before 3:00 PM on the order day.

Ordering Days:

- Longmont: Mondays — 8:00 a.m. to 3:00 p.m. Order phone number — 303.241.4426
- Boulder: Wednesdays — 8:00a.m. to 3:00 p.m. Order phone number — 303.415.0707

Although our volunteer order takers and shoppers work hard to get exactly what you want, we can't guarantee that we'll get it right every time. You can help make sure we get the right item by being very specific about what you want when speaking to your order taker. We need to know: Brand, Item Name, Size and Variety. Tell us if we can substitute something similar if your item isn't available and let us know when you do NOT want substitutions. If you email your order, please be very specific and be sure to include all these details.

Please organize your grocery order; produce, dairy, frozen, meat, bakery, etc. And since many of our volunteers are also seniors, we ask that you keep the size of your orders within reason so they can more easily handle it. You may order anything that is on the shelves at King Soopers except alcohol and tobacco. Unfortunately, we are not able to pick up your prescriptions for you.

Shopping and delivery

On your shopping day, a team of volunteers shops for you in the morning. Here are a few tips to remember on shopping days:

- **Questions:** Volunteers will shop from 7:00am-12:30pm and they have many questions regarding your order. Please try to be available by phone to answer any questions. If we cannot contact you, what action our volunteers take is at the discretion of our Carry-Out Caravan manager.
- **Delivery Times:** Groceries will be delivered by a volunteer between 9:00 a.m. and 1:00 p.m. Please be at home to accept your groceries. Your friendly volunteer can also assist you in putting away your groceries. We use reusable cloth shopping bags, so please return your empty bags to your driver.
- **Shopping Discounts & Coupons:** We are able to get you the King Soopers Club Card discounts on your order but, unfortunately, we can't accommodate any additional coupons you may have.
- **When Your Order is Delivered:** Your receipt and grocery order form will be stapled to your grocery bag. If you have questions about your order or the receipt, call the Cultivate office at 303.443.1933.
- **Item Returns:** Perishable items are not returnable. If you have something else that was a mistake on our part and you really want to return it, contact the Cultivate office and we'll help you with the return process.

Fix-It

Minor home repairs,
grab bar installation.

Fix-It: How the program works

- Our skilled volunteers promote safety and provide friendly interactions by visiting seniors' homes to perform simple home repairs, wheelchair/walker repairs, and grab bar installations.
- At no cost to you, our volunteers provide the skill, labor and tools needed to perform the job. Clients must provide the materials for the project, e.g. grab bars, batteries or toilet tank components. Your volunteer can help you if you are unsure of what materials to buy.
- To place a service request, call our office at 303.443.1933, Monday through Friday, 8:00am–4:00pm. Once the job has been picked up, a volunteer will call you to schedule the job at a time that is convenient for you both.
- How quickly we can schedule your project depends on volunteer availability. A volunteer will usually pick up your job within 2-14 days. Unfortunately, we are not able to respond to emergency or last-minute requests for service.
- If you rent your house or apartment, we may need written permission from your landlord before we can do the work
- Always go through the Cultivate office to request service. **Do not contact the volunteer directly.**

Examples of jobs our volunteers CAN do for you

- Install grab bars and handrails (on wood, ceramic and drywall!)
- Minor plumbing repairs
- Install hand-held shower heads
- Perform minor electrical repairs
- Replace light bulbs and smoke detector batteries
- Repair walkers and/or wheelchair repairs
- Hang pictures, blinds, curtains and shelving
- Technology: Program remote controls, email set up, connection to WiFi, help with phones

If you have a job that's not on this list, simply ask us and we'll let you know if it's possible!
(See the next page to discover what jobs our volunteers cannot do).

Examples of jobs our volunteers CANNOT do for you

- Repairs that are the responsibility of a landlord, property manager or HOA

- Work that requires climbing on a ladder higher than 8 feet
- Appliance repair (washers, dryers, refrigerators, dishwashers, microwaves)
- House cleaning or painting
- Carpentry
- Moving, packing or unpacking, hauling
- Yardwork (our YardBusters program covers this need)
- Snow removal (our SnowBusters program covers this need)
- Ongoing computer technical support or hardware upgrades

- Flooring installation

YardBusters/SnowBusters: How the programs work

- YardBusters and SnowBusters are our seasonal programs.
- Our YardBusters program connects volunteers with seniors who face the challenge of maintaining their yard in the Spring, Summer and Fall months. A group of volunteers will come one time during the Spring, Summer or Fall to provide simple yard cleanup. Unfortunately, we cannot provide regular lawn care.
- Our SnowBusters program connects volunteers with seniors who face the challenge of securing safe access to their home after snowstorms in the Winter. Within 24 hours of a snowstorm, if there is more than one inch of snow and no forecast of sun or melting, our volunteers will visit seniors' homes to shovel snow.
- For our YardBusters and SnowBusters programs, the client is responsible for any tools needed, with the exception of volunteer transportation.

VetsGo 4 Seniors
door-to-door, round-
trip rides for veterans
and family members
including to V.A.
facilities

VetsGo: How the program works

- Our VetsGo program connects volunteers with Boulder County veterans, their spouses, parents or children, age 60+, who face the challenge of obtaining reliable transportation to and from all medically-related appointments including to VA facilities.
- We require seven days advance notice for all ride requests.
- All riders must be age 60+.
- Our drivers have passed a state background and motor vehicle record check, and have current driver's licenses and car insurance. Cultivate provides additional auto and liability insurance for our volunteers.
- This is an escorted service. Your driver can only accompany you as far as the waiting room. Our volunteers do not go into the actual appointment with you.
- Unfortunately, we are unable to accommodate wheelchairs. You must be able to get in and out of the car independently. However, our volunteers can offer a hand or arm for balance.
- If you have an ADA parking placard, please bring it with you.
- Because we depend on finding you a volunteer driver, **we cannot guarantee you a ride every time you request one.** We will contact you when we do find an available volunteer driver. If we cannot find a driver for you, we will call you at least 1 business day in advance.
- We are not able to provide rides to clients enrolled in a Medicaid program. You must use the specified transportation provider for Medicaid. If you are on Medicaid and looking for a ride, call Veyo at 303.866.2993 as they are the Medicaid transportation provider!
- Always go through our office to schedule rides. Please do not contact a volunteer directly to ask if they can drive you to an appointment. If you contact a volunteer directly, this could affect your "good standing" status, which will result in a three-month probationary period in which you will not be able to request services.
- Please understand that volunteers are donating their time to this program. If you cancel three rides in a two-month period because you have decided to cancel the appointment or have a friend drive you, this could affect your "good standing" status. Three non-emergency related cancellations can result in a three-month probationary period in which you will not be able to request services. However, if you cancel because you are sick or your doctor cancelled, there will be no repercussions.

VetsGo door-to-door, round-trip rides for veterans and family members including to V.A. facilities

Scheduling a ride

To schedule a ride, call our office at 303.443.1933 ex. 414. If you reach our voice mail, leave your name and the ride details listed below, and we will schedule your request for you. You can also send your request through email, to vetsgo@cultivate.ngo.

- 1) Name and address of VA or medical facility
- 2) Your doctor's name
- 3) Date and time of appointment
- 4) Requested pick-up time
- 5) Expected length of appointment.

We must have at least 7 days' notice to schedule your ride. We need that time to find a volunteer driver, and the more notice you give us, the more likely we will find you a driver. Unfortunately, we cannot provide emergency or last-minute services.

The day of your ride

- Your volunteer driver will call you 1-3 days before your ride to confirm the time of the appointment and your address.
- Please be ready at the specified pickup time.
- Please wear a seatbelt while in the car!
- Discuss with your driver whether you want them to accompany you inside the building and/or where to meet you after your appointment.
- If your driver does not show up on time, call our office immediately.
- If at any time you feel uncomfortable with your volunteer or their driving, you may ask the volunteer to take you home. Afterwards, please call our office and let us know your concerns.
